FOR IMMEDIATE RELEASE

Mecca Tech Inc. the Medicaid Consultants and Revenue Recovery
Specialists Now ***Go Solutions***

New Name Better Aligned to Provide a Broader Range of Services to Educators and
Students

LANSING, MI – August 12, 2008 – Mecca Tech, Inc. announced today it is changing its company name to ***Go Solutions Group, Inc.*** Along with a new name, a fresh new web site is being strategically generated to provide effortless access to ***Go Solutions Group, Inc.*** for current and prospective consumers. The new name, website and logo have provided ***Go Solutions Group, Inc.*** with a new corporate identity and a vision to continue to provide Medicaid Consulting, Information Management and to move school district's revenue creation opportunities in a positive direction.

The new name, ***Go Solutions Group, Inc.***, is more accurately aligned with what the company provides its clients. The company has partnered with school districts that provide school based health services since 1994 and has experience in billing for both Medicaid Fee for Service (FFS) and Administrative Claims. ***Go Solutions Group, Inc.*** is also expanding its service offerings to provide a more complete suite of products and services to schools, including electronic IEP system, Information Management and associated support services. ***Go Solutions Group, Inc.*** and its updated services is allowing the company to continue to diligently embrace new technologies and respond to a rapidly changing environment all while pleasing its clients. You are our most important assets and we want you to feel the same.
